Annual Christmas Boat Parade Guidelines

1. All boat operators are required to attend the Captain's Meeting on Thursday, November 29, 2018 at 7:00pm at the Hampton Inn 11281 Summerlin Square Dr. Fort Myers Beach, FL 33931. Contact the chamber with any questions at 239-454-7500.
2. Your boat is judged and the only way it can be recognized is by your assigned number. We recommend at least a two foot by two-foot sign on each side of the boat.
3. USCG equipment is required. If you are not sure what you need, contact the US Power Squadron 239-466-4040 or the USCG Auxiliary at 239-340-3443. Either can list what you need and it may be a good time to get a free boat inspection.
4. Navigation lights are required to be displayed even with all the decorations. Please make sure they are functioning.
5. TowBoat US and SeaTow have been invited to provide any needed assistance. If you lose power, just pull to the side and turn off your decoration lights so the other boats will know you are out of the parade.
6. Take care in placement of lights so not to obstruct or blind the boat operator. Assign lookouts to help during the parade.
7. Many boats use portable generators for powering the lights. Be sure to comply with all the warnings for location of the generator. Note: carbon monoxide is a potentially deadly, colorless and odorless gas.
8. Please monitor VHF channel 68. The parade lead will occasionally broadcast updates on the parade progress. Channel 16 will also be monitored by the lead boat.
9. Alcohol consumption by the crews is discouraged. Boating under the influence is a serious offense. Along with TowBoat and SeaTow you will most likely find a law enforcement vessel monitoring the parade.
10. Our waterways are special places. Please do not use fireworks or balloons. Please properly dispose of all trash including plastic bottles and cans.
11. There will be raffles and prizes as well as burgees for winning boats at the Winners Circle tent. Food, refreshments and a cash bar will be provided.
12. Common sense and marine courtesy will keep the parade safe and enjoyable for all. Have a great parade!

Fort Myers Beach Christmas Boat Parade
Route December 1, 2018

Please plan to position your boat in front of Salty Sam's (anchorage/mooring field) by 5:30pm. We will leave the mooring field area at 6:00pm with the lead boat showing the way (details at Captain's Meeting). Follow the lead boats NW, Doc Ford's restaurant will be on your starboard. Next we pass under the Skybridge and follow the San Carlos Island Coast past USCG station and then enter Pelican Bay. Note shoals on charts and stay between the markers. The parade then goes into the eastern most Siesta Isles canal, then the next canal. Boats will be passing each other in these two canals, please be sure to make turns in the hammerheads at north end of the canal. Be considerate of the boat behind you so not to block their turn. After the last canal in Siesta Isles we will go back into Pelican Bay and the head west towards Bowditch Point. At Bowditch we will head towards Pink Shell. Then pass Nervous Nellies with a turn to the starboard to parallel Estero Island. Then we will cross the mooring field and dock at Salty Sam's. It is important to only use reserved slips or dock with coordination of Dockmaster. Boats crew and passengers are then to proceed to the Winner's Circle tent between Salty Sam's and Parrot Key.
