Re: FMB Chamber Deputy of the Month Nomination (October 2021)

On Tuesday, October 19, 2021, at approximately 9:43 pm, Deputy Katherine Strange responded to the Lago Del Sol Community, located at 10560 Clear Lake Loop, Fort Myers, Lee County, Florida, in reference to a just occurred robbery with a firearm (CFS: 21-521579).

Upon arrival, Deputy Strange made contact with the victim who advised he placed his black PlayStation 4 up for sale on an app called "Offer Up". A male by the name of "Kevin" messaged the victim requesting to purchase the console at the above address. The victim made contact with "Kevin" and gave him the console. "Kevin" then brandished a firearm, pointing it at the victim, placing him in fear for his life. The victim stated the suspect ran back into the stairwell and was unable to be located.

During the course of the investigation, the victim showed Deputy Strange the picture of "Kevin" from his "Offer Up" account. Deputy Strange immediately recognized the male depicted in the photograph as Kevin Henry, a black male born December 23, 2003, from previous law enforcement encounters.

Detectives with the Violent Crimes Unit arrived on scene and assumed the investigation. As a result of Deputy Strange's identification of Kevin, detectives administered a six person photographic line-up. The victim was able to positively identify the suspect as the male who committed the armed robbery.

Probable cause was established and the suspect was located a day later. Once the suspect was taken into custody, a search warrant of residence revealed three handguns and multiple PlayStation consoles.

Due to Deputy Strange's knowledge of prolific offenders in her area, detectives were able to quickly apprehend a dangerous criminal, taking him and his guns off the streets of Lee County.
