Book Discussion Group

Tuesday, June 16th, 10 am, Room B.

Everyone is welcome! This month's book is *The Underground Railroad* by Colson Whitehead.

Cora is a slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil.

As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day.

\$6.00 copies of the month's book are available for purchase at the 1st Floor Staff Assistance Desk while supplies last.
